# Black & Blue Grass

**THE GREAT BILL MONROE** described his bluegrass music as "Scottish bagpipes and ole-time fiddlin'". It's Methodist and Holiness and Baptist. It's blues and jazz, and it has a high lonesome sound." Our Black & Blue Grass begs to concur. Belgian yeast and stateside saison spicing; black pepper and blue agave and lemongrass, and a great bet alongside any food you have around. Or, just enjoy a bomber of Black & Blue Grass as you watch the springtime ponies run.
