THE NEW ALBANIAN BREWING COMPANY

HOPTIMUS

IMPERIAL INDIA PALE ALE

STERNER STUFF

Living vicariously through others is a sad compromise meant only for rank amateurs and subpar international lagers. Rather, we all might profit from the principled example of Hoptimus, which lives vivaciously, audaciously and capriciously through itself. With a snarky hop character that is blatantly unrepentant, Hoptimus ensures that meek palates surely will not inherit the earth.
